It is very important that this stays in order for ISO to track the enrollments]

Also, note that students at University of Utah receive subsidized health insurance depending on the funding which they receive. The subsidy and other terms and conditions are department specific. Please contact your Graduate Advisor for further details.

The insurance agreement is between the student/ insuree/ other entity and the insurance providing agency (insurer). ISA or officers of ISA will not be liable for any conflicts. It is the responsibility of insuree to verify the terms and conditions of the insurance agreement. Under no condition can ISA or officers of ISA be held responsible for any claim disputes or any other disputes.
